

# A B-25 BACK IN BELGIUM

Brussels, November 3<sup>rd</sup>, 2005

Dear Friends,

The last payment for the purchase of the aircraft has been done last week.

- **Dakota Club 139 Wing archives**
- **Operations Record books 139 Wing 98 Sq 180 Sq 320 Sq**
- **2<sup>nd</sup> Tactical Air Force Belgian Airmen**
- **B-25 Technical manuals**

Compiled by André Bar, Yves Cartillier, Eric Desoiron, Yves Dureiz, Russell Legros, Coert Munk, Prudent Staal 2005

An advanced party will go to the UK on the week end of November 11<sup>th</sup> for the change of ownership to the Brussels Air Museum Foundation and start operations with the big move to Belgium.

Thanks to André, Coert, Eric, Prudent and Russell we have now a full coverage of the history of 139 Wing from January 1<sup>st</sup> 1944. We are still waiting a few documents from Kew but today we share more than 3000 pages of reports on RAF B-25 operations.

Our works of memory is not finished and we still need your support for our common project.

To all of you, Thanks you

The B-25 back in Belgium Project team

Our B-25 (almost) ready for delivery ?
